Re: Docket ID: 2021-274
Request for Rehearing for Waiver of Late Fee

Dear Mr. Reeves:

On behalf of Steven Marcus, I hereby request reconsideration of the Board's June 2021 decision declining to waive the \$400 Late Fee.

Mr. Marcus, ran for Councilmember for the Town of Madisonville. Madisonville has a population of less than 800. Mr. Marcus is a business owner who has never before been a candidate for elective office. As indicated on his reports, the amount of campaign funds raised from third parties is very small. Additionally, the amount of funds spent during the campaign was very small.

As you are aware, after qualifying for the Madisonville Town Council election was held COVID-19 emergency orders required the election to be postponed twice causing much confusion and disruption for candidates and business owners. As soon as Mr. Marcus became aware of the reporting deadline, he filed the report at issue. The report included the same information as was reported on a prior report.

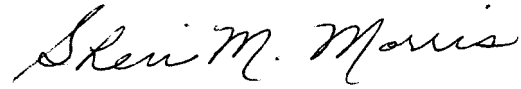

Assessment of a late fee under the circumstances will only serve to deter citizens from seeking elective office. Furthermore, the amount of the late fee is excessive in light of the amount of campaign funds received from third parties. The Board should waive or alternatively reduce the amount of the late fee given the circumstances.
